Regular Meeting Minutes
April 15, 2012**

Vendors day and club plant pick up. There was a large turnout for this event, 82 people attended. There were 15 attendance prizes awarded, many of them donated by our generous vendors.

Vendors in attendance were: Avalon Acres, Meadowsweet Gardens, Homestead Farms Nursery, Eclectic Arts, Overland Hardware, and The Turf Plan.

Rick and Joan Clarkson received the shipment of club plants from Naylor Creek, and then sorted, packaged, and distributed to members.

Spence Sorenson was the vendors' day chair person this year. He did a great job coordinating the needs of the vendors.
