

**St. Louis Hosta Society  
Regular Meeting Minutes  
April 21, 2013**

Meeting began at 1:15 pm.

Phyllis Weidman began the meeting by thanking the vendors who brought their products for sale to the club. Vendors in attendance were: Avalon Acres, Homestead Farms, Meadow Sweet Gardens, Overland Hardware, and Kelly Hall (Japanese maples). Unfortunately, Deep Fried Glass was a no-show.

Phyllis also reminded everyone of upcoming club events:

May 11 – Work day at the Missouri Botanical Garden. New volunteers should fill out volunteer form at the garden. Plan to arrive at 8:00 am. Bring work gloves and be ready to dig and plant.

May 19 – Our regular meeting will be held at Martha Lafata's garden in Webster Groves. Club plants should be picked up at this meeting at Martha's garden.

June 1 and 2 – Plant sale at the Missouri Botanical Garden.

June 9 – National open hosta garden day. Gardens need not be manicured. We have several people who have already volunteered to open their gardens on this day. Contact Phyllis if you would like to open your garden. Everyone should invite friends and neighbors to get them interested in hostas.

July 21 – Annual club hosta auction.

Meeting adjourned at approximately 2:15 pm.
