

**St. Louis Hosta Society
Regular Meeting Minutes
May 19, 2013**

Meeting began at 1:00 pm.

Phyllis Weidman began the meeting by thanking Martha Lafata for hosting this meeting in her garden and Jean Hudson for being the club plant chair person this year. Members picked up their club plant orders today and visited in Martha's Webster Groves garden.

Phyllis spoke about club events:

May 11 was Work Day at the Missouri Botanical Garden and 13 members volunteered. Plants were dug and relocated, slug bait and fertilizer were spread, and everyone had a great time.

June 1 and 2 – Plant sale at the Missouri Botanical Garden. Set up is on Friday, May 31 at 5 pm. The sale is Saturday and Sunday from 9:00 am to 5:00 pm (or until we run out of plants).

June 9 – National open hosta garden day. Gardens need not be manicured. We have 12 members who have volunteered to open their gardens on this day. The list of open gardens is posted on the website. Everyone should invite friends and neighbors to get them interested in hostas.

July 21 – Annual club hosta auction. Bring divisions of your rarer hostas to the auction. If you need help digging, please contact a board member and we will make arrangements.

Meeting adjourned at approximately 2:15 pm.
