

## July 20, 2014 - Auction Meeting

Meeting was called to order by Phyllis Weidman.

She reminded all the secretary's report could be found on the website. The treasurer's report is available at the table when you come into the meetings.

Decembers' Holiday Party will have a new caterer. Kim and Karen are working to make it a great event.

Bruce Buehrig reported we have a theme for the 2016 Convention. It will be "Gateway to Gardening" which works with the fact that the Missouri Botanical Garden is the oldest public garden west of the Mississippi. He still needs someone to write and put together the booklet and someone to organize pre-convention tours.

It was announced the Mike and Sharon Schmitt won first place in the St. Louis Post Dispatch Garden contest – amateur division. They also built, from pallets, and donated a potting table to be part of the auction.

On to the auction.

Nancy Tempel
