

ST. LOUIS HOSTA SOCIETY

Regular Meeting

September 18, 2005

The meeting was called to order by President Arlie Tempel at 2:03. Board members present were introduced to the club.

The Treasurer, Pat Payton, was not present, so no financial report was given.

The minutes of the previous meeting were read.

OLD BUSINESS

The club was reminded that Kelly Hall will be working on designing a new web site, along with Doug and Marla Gann. Anyone who wants to help or has any ideas was asked to contact them.

Chester Wolkowitz is still working on the Standing Rules, which will be of benefit to the club in the future.

NEW BUSINESS

Dave Poos, Chairman of the Nominating Committee, informed the club of the nominees that were selected. They were:

Arlie Tempel-President
Jeff Hall-Vice-President
Pam Wolkowitz-Secretary
Pat Payton-Treasurer

There were no nominations from the floor. Chester Wolkowitz made a motion to accept the nominees. Marietta Flotron seconded the motion and it was passed by all present.

Arlie encouraged more people to get involved in the club. He would like more information from members on what they want in their club. It was agreed that everyone loves the garden walks and that the number of club plants to be purchased each year is sufficient.

It was suggested that we have more new varieties of hostas at the Mo/Bot Sale next year. Arlie has quite a few plants left over and it will be decided at the next Board Meeting what will be done with them. Also the idea of having plants in pots at the Convention, possibly at Registration, will be discussed also. This would let the visitors see what the gift plant would look like. The gift plant will also be seen in the gardens on tour.

A motion was made by Phyllis Weidman to adjourn the meeting. A second was made by Marietta Flotron and the motion passed. Meeting adjourned at 2:20. Jim Weidman introduced Tom Peters who spoke on the upcoming Convention and also presented a talk on Chemicals prepared by Jeff Travers, who was called out of town.

Respectfully Submitted,
Pam Wolkowitz, Secretary
