## **CHANGE OF LOCATION**

It rained, it poured, the wind blew and then the HAIL came. Due to severe hail damage to their garden Phyllis and Jim Weidman will be unable to host the garden walk on June 20<sup>th</sup>. Nancy and Arlie Tempel have graciously volunteered to open their beautiful hillside garden for our member's enjoyment instead. Please join your fellow hostaholics at:

**June 20, 2009 - 6:00 PM  
Nancy and Arlie Tempel  
614 Hunters Ridge  
St. Louis, MO 63135**

### **As an added bonus –**

Pam and Chester met the nicest people at this past week-end's MoBot sale. Gail and Wally Cammarata had pictures of their lovely garden and were trying to have a large hosta identified. When sharing with them information about joining our society and what we have to offer, such as garden walks, they invited our members to view theirs. Don't miss this unique opportunity to meet nice people, show them how friendly we are and as a bonus see a beautiful garden. Bring your beverage of choice and a snack to share:

**June 25, 2009 - 6:00 PM  
Gail and Wally Cammarata  
651 Tanglewilde Dr.  
Ballwin, MO. 63011
